Dear Parents,

We encourage you to make a difference in the governance of our school by participating in this year's School Site Council (SSC) required by the California Education Code 65000, directed by LAUSD policy and is comprised of different stakeholders,

California Education Code 65000 identifies parents as one of the required stakeholder groups. Your input and voice is essential in supporting your child's school reaching the academic goals outlined in the School Plan for Student Achievement (SPSA). The School Site Council is the decision making body that is responsible for the development, annual review, and updating of the plan. The content of the SPSA outlines the academic programs, supports services, and the federal funds that are used to improve academic performance of all students that are at risk of failing.

We will hold orientation and election meetings for all who are interested in participating in SSC. Please join us on the following day and time for the 2022-23 orientations and elections.
